

ANNUAL CORN YIELD COMPETITION

Sign up now!

Looking to be a part of a historical competition dating back to 1971? Want to have your name listed with the numerous other Corn Yield Competition winners?

Manitoba Crop Alliance (MCA) is looking for participants for the 2023 Corn Yield Competition!
All entrants must be farmer members of MCA.

PRIZES:

Prizes will be awarded as follows at the [CropConnect Conference](#) banquet, which will be held on Feb. 14, 2024:

1st Prize - \$1,000 and a wall plaque (sponsored by the company with the winning hybrid)

2nd Prize - \$500 and a wall plaque

3rd Prize - \$300 and a wall plaque

4th to 8th - Receive a wall plaque

INSTRUCTIONS FOR ENTERING THE YIELD COMPETITION:

The designated area for your entry may be located within any field of any size from within your total corn acreage, and it may be the corn variety of your choice. The designated area must be at least two rows and a minimum of 50 feet in length. If the designated area does not meet these specifications, it will not be entered into the competition.

Please review the instructions and keep them in mind as you are scouting for the very best spot in your field. Even if you don't have your spot(s) picked out, you can still enter early! Morgan Cott will be picking the entries this year, so get your entries in as soon as possible so she can fit your entry into her schedule & plan accordingly.

Good luck!
