July 24 Full proposal submission deadline

October - November Crop committees review full proposals and recommend for funding

December Proposals recommended for funding by crop committees approved by board of directors

Dec. 17 Full proposal decision letters distributed to PIs

MCA considers research proposals that align with the priorities set out by our farmer members and the mission and vision of our organization:

Mission: For every levy dollar we collect, we maximize these resources into meaningful, independent research, valuable knowledge and targeted advocacy.

Vision: Our investments will make every Manitoba farmer member more productive and sustainable.
